

Gadi Adelman Gets His Own Radio Show!

Written by Gadi Adelman

Starting Thursday, June 10th at 9PM eastern standard time Gadi will be on the radio!

Gadi had a been a guest on the [Windows to Liberty Radio Network](#) back on [May 20th](#) and had been asked by the producers after that interview if he would consider doing his own one hour weekly program.

[Windows to Liberty](#) is an established internet radio network with a large following and a large variety of programming. Please go to the Windows to Liberty website and look at the shows and what they offer along with their sister network [Woo TV.](#)

This is an exciting and new venture as well as another way to get the word out and educate people about Islam.

Gadi has decided to name the one hour radio show "**America Akbar**", the translation of the Arabic word "Akbar" is great.

Using a twist on the screams of Jihadists, what could better than to call the show "America is great"?

Please be sure to tune in live for Gadi's first show Thursday night, June 10th at 9PM est. and each and every Thursday at 9PM!
